

Dear applicant,

Thank you for your interest in becoming a chair at the SGSMUN conference, which will take place from 24th to 25th March 2018. Successful chairing is fundamental to the success of the conference and debate itself. As a chair you will be responsible for ensuring that the debate in your specific committee runs efficiently and that the conference is an enjoyable experience for all those involved. We are looking for highly motivated students who have sufficient previous experience chairing or debating at conferences, and more importantly a passion for MUN.

Please fill in the subsequent form to express your interest in becoming a chair at SGS 2018.

We look forward to responding to your applications in due course and hopefully welcoming you to the team.

Please either post your application forms or email them to our Organising committee with advisor comments; both addresses can be found below.
